- ◆ In order to participate in our prepay program, customer must have a ZERO balance due or a credit balance.
- ◆ 500 gallon minimum purchase is required unless specific permission is given otherwise.
- ◆ **Contract Period: Prices quoted will be valid from October 1, 2021 to April 30, 2022**, or until your prepaid lump sum credit balance or budget gallons are depleted, whichever comes first. Any deliveries made outside of the contract period will be at the daily posted price.

After your contract ends, if you wish to be taken off automatic delivery, please notify us in writing.
